STAFF UPDATE

We have recently welcomed our new Laminator, Lewis, to the team! He is a sport enthusiast who loves football! He is 25 years old and he has a little Frenchie called Pablo!

We are hoping he has had a warm welcome here at AK and is looking forward to being part of the team.

DEMONSTRATOR CARS

In our last newsletter, Billy, the new AK427 demonstrator, was at the paint shop so I had no pictures to share!

It is now back from the paintshop, all finished and ready for IVA very soon!
We are so excited!

I hope you will all agree it is looking incredible!

Asher, our AK40 demonstrator, is finally looking like a car and is well on the way! It is back from the paint shop and looking incredible! Now to assemble all of the important bits! Keep an eye out on our Facebook page for updates!
